

# MIDWEST UNIVERSITY

INTERNATIONAL COLLEGE OF AVIATION

# 01

## **AVIATION PROGRAM**

- Bachelor of Science in Aviation Management
- Pilot Certificate Program

AVIATION PROGRAM

# **Bachelor of Science in Aviation Management**

- 01.** General Aviation Management / Fixed Wing
- 02.** Aviation Management / Helicopter
- 03.** Aviation Management / Engineer
- 04.** Flight Dispatcher
- 05.** Flight Attendant (Cabin Crew)

AVIATION PROGRAM

# **Pilot Certificate Program**

02

Bachelor of Science in Aviation Management :

**General Aviation  
Management / Fixed Wing**

**Bachelor Degree**

+

**FAA Pilot License**

▪ **Academic Course**

To grow the ability to utilize management theory and comprehensive aviation knowledge

The courses focusing on fixed-wing Pilot

▪ **Flight Training Course**

Private License

Instrument Rating

Commercial License

Multi Engine Rating

Instructor License

(Option)

**Total 123 Credit Hours**

# PERIOD AND TUITION

	<b>Period</b>	<b>Courses Tuition</b>	<b>Tuition total</b>
<b>Midwest University</b>	<b>48 months</b>	<b>Academic course : \$ 41,396 Flight training : \$54,230 (Private ~ Instructor)</b>	<b>\$95,626</b>
Spartan University	38 months	Academic course Flight training (Private ~ Instructor)	\$115,000
Kansa state University	48 months	Academic course : \$ 99,269 Flight training : \$63,750 (Private ~ Instructor)	\$163,019

**Midwest University has one of the lowest tuition among Universities**

## Advantages

### **Low tuition**

: Midwest University offers low tuition.

### **Online Program**

: Does not need to stay for a long time in U.S. (Save stay cost)

### **Opportunity to instructor pilot**

: Time building as an instructor Pilot

## Career after graduation

Pilot for small size airline

Instructor pilot for flight school

Volunteer pilot

Airline management position

Major  
Airline  
Pilot

```
graph LR; A[Pilot for small size airline] --> D((Major Airline Pilot)); B[Instructor pilot for flight school] --> D; C[Volunteer pilot] --> D; E[Airline management position] --> D;
```

The diagram illustrates four career paths leading to a Major Airline Pilot. Each path is represented by a light blue rounded rectangle on the left, with a black arrow pointing to a central blue circle on the right labeled 'Major Airline Pilot'. The paths are: Pilot for small size airline, Instructor pilot for flight school, Volunteer pilot, and Airline management position.

03

Bachelor of Science in Aviation Management :  
**Aviation Management/  
Helicopter**

**Bachelor Degree**

+

**FAA Pilot License**

▪ **Academic Course**

To grow the ability to utilize management theory and comprehensive aviation knowledge

The courses focusing on Helicopter Pilot

▪ **Flight Training Course**

Private License

Instrument Rating

Commercial License

Multi Engine Rating

Instructor License

(Option)

**Total 123 Credit Hours**

# PERIOD AND TUITION

	<b>Period</b>	<b>Courses Tuition</b>	<b>Tuition total</b>
Midwest University	48 months	Academic course : \$ 41,396 Flight training : \$69,850 (Private ~ Commercial)	\$111,246

## Advantages

Low tuition

Online Program

04

Bachelor of Science in Aviation Management :  
**Aviation Management**  
**/ Engineer**

**Bachelor Degree**

+

**FAA Maintenance License**

▪ **Academic Course**

To grow the ability to utilize management theory and comprehensive aviation knowledge

The courses focusing on airplane engineer

▪ **FAA maintenance license**

Airframe

: 4 courses, 12 credits

Power plant

: 4 courses, 12 credits

**Total 123 Credit Hours**

# PERIOD AND TUITION

	<b>Period</b>	<b>Courses Tuition</b>	<b>Tuition total</b>
Midwest University	48 months	Academic course : \$ 48,585	\$48,585

## Transfer

- FAA maintenance Licenses are accepted total 24 credit hours (Airframe 12 credit, Power plant 12 credit)
- Korea maintenance Licenses are accepted total 24 credit hours.

05

Bachelor of Science in Aviation Management :

**Flight Dispatcher/  
Flight Attendant**

# PERIOD AND TUITION

	<b>Period</b>	<b>Courses Tuition</b>	<b>Tuition total</b>
<b>Midwest University</b>	<b>48 months</b>	<b>Academic course : \$ 48,585</b>	<b>\$48,585</b>

## Advantages

**Low tuition**
