Message from the Board of Trustees Chairman

Midwest University is unique in that it has a distinctly international and interdenominational flavor. Those students who are seeking a quality education with a Christian world view can certainly find a home at Midwest.

Our school takes seriously the biblical mandate to go into all the world and preach the gospel. Midwest University is a great resource for the student who desires to be well equipped to preach, teach, and counsel based on the Word of God.

Midwest offers programs at both the Wentzville, Mo campus and the Washington D.C. teaching site that will provide opportunity for students to develop their God given gifts and abilities. Students may also expand their horizons at home by taking advantage of our e-learning classes.

I urge you to contact us or visit in person to find out more about Midwest University. This could be the opportunity you are looking for to provide the next step in God's plan for your life.

May God Richly Bless You,

Lindell F. Shumake

Mo State Representative
Midwest University Board
Chairman

Message from the Founder/ President

A leader requires continuing education, regardless of the fields he/she is serving in, simply because he/she should be able to read the time ahead of followers. For leadership in the twenty-first century, all relevant education and training acquired to date are just insufficient for effective leadership.

In today's world of incessant changes, it is imperative to have responsibility and a healthy family; only with such subsequent qualities as knowledge, heart, spirit and leadership, can we dare celebrate the diversity and union in Christ.

We are here to challenge the world with educational programs characterized by vision, honesty and faithfulness, like Joseph who wholeheartedly trusted in God in his times of undeserving pains and hardships; like Paul, we also are to do our best for the timely missions granted by God with thanksgivings. We are committed to build such important leadership that contributes to the enhancement of nations and societies by being valuable lights and salt for the world we live in.

God Bless You.

James Song, Ph.D.
Founder/ President

General Information

Midwest University Campus-Wentzville, Missouri

GENERAL INFORMATION

Midwest University exists to provide men and women with a biblically-based higher education designed to prepare them for success in their careers in ministry and in secular service by enhancing their spiritual, social and intellectual gifts and abilities. With the main campus in the St. Louis metropolitan area city of Wentzville, Missouri, and a teaching site in Washington D.C, Midwest University offers residential education, blended courses, and e-learning/distance education opportunities. Midwest University also has an office located in Seoul, South Korea for student advising and student recruitment.

Midwest University is committed to providing students outstanding learning opportunities in an environment of rigorous academic work, which prepares them for success in their chosen fields of study. The small class paradigm enhances a personalized learning atmosphere between professors and students.

HISTORY

James Song, Ph.D. founded the International Evangelical Association in 1983 with the purpose of furthering international evangelism, world missions, and Christian education as emphasized in the Great Commission of Jesus Christ in Matthew 28:18-20.

In June 1986, Midwest University was founded, with Dr. Song as its first president. Midwest University (formerly Midwest College and Theological Seminary) began academic educational programs designed to equip persons called by Christ to serve in churches, mission fields, and Christian universities as well as public and private organizations.

The first building was erected in 1989 at 8909 Bunkum Road, Fairview Heights, Illinois (measuring 7,000 sq. ft.). With this momentous beginning, Midwest University began to train pastors, evangelists, missionaries, church music leaders, counselors, and other church workers for Christian ministries at home and abroad. Since October 1990, Midwest has operated in the State of Missouri as an exempted, non-profit, religious, degree-granting institution by the Coordinating Board for Higher Education offering Bachelors, Masters and Doctoral degrees.

By 1992, Midwest had achieved associate status with the Transnational Association of Christian Schools (TRACS).

Midwest recognized from the outset that a majority of people who wished to complete a ministry-related education would be unable to leave their churches, jobs, or families. Therefore, Midwest has intentionally developed distance education programs offering ministry training. Several distance education/residential seminar courses are available at masters and doctoral levels.

In September 1993, Midwest acquired 17 acres in Wentzville, Missouri, for the campus. By 1995, the first building at the Wentzville site measuring 7,500 sq. ft was erected. This building housed classrooms, a dining room, and an auditorium. In 1996, faculty apartments were built. In 1999, Paul H. Kim, Ph.D. donated the down payment for the school residence hall.

In 2000, Midwest University had achieved accrediting status from TRACS. TRACS, recognized by the Council for Higher Education Accreditation (CHEA) is authorized by the following institutions to participate in their programs: the U.S. Department of Education's Title IV Federal Student Aid program and the Montgomery GI Educational Benefits program for Veterans, active duty, reserve, and National Guard Personnel.

By 2002, Midwest became a member of the Federation of Christian Schools in Korea and several national organizations.

In November 2003, Midwest broke ground for the Dr. Jin Kyung Chung World Mission Center, which would house a large auditorium, classrooms, administrative offices, and a computer lab.

In 2004, Midwest's graduate and doctoral programs were accredited by TRACS. By April 2005, Midwest was granted accreditation for its baccalaureate program with concentrations in Education, Biblical Studies, and Church Music. To reflect reorganization of the institution and new electives in graduate level education, the institution was approved by TRACS to change its name to Midwest University. The Mission Center was erected in August 2004.

In 2006, the institution was accredited for its D.Min. in Social Work Program and the Teacher of English as a Second Language (TESOL) program. Also during 2006, in keeping with its mission of developing mutual exchange and understanding among the nations, Midwest was approved to participate in the U.S. Department of State's Exchange Visitor Program receiving J-1 scholars.

In 2008, Midwest University was granted approval for an additional teaching site located in Washington, D.C.

On November 3, 2009, Midwest University was granted reaffirmation by TRACS. On October 29, 2010, Midwest University's Board of Trustees requested that the Transnational Association of Christian Colleges and Schools (TRACS) Accreditation Commission withdraw its recognition of Midwest University. TRACS Accreditation Commission honored this request.

On November 8, 2011, Midwest University was granted applicant status at the institutional levels with the Commission on Accreditation of the Association for Biblical Higher Education, www.abhe.org.

On June 20, 2012, Midwest University Graduate School of Theology was granted as an Associate Member with the Association of Theological Schools in the United States and Canada (ATS). ATS is the primary accrediting body for seminaries in the United States and Canada. Midwest University Graduate School of Theology has begun the process of pursuing candidacy status and the membership with ATS (www.ats.edu).

On February 20, 2015, Midwest University was granted Accredited status with the Commission on Accreditation of the Association for Biblical Higher Education, www.abhe.org.

On May 13, 2015, Midwest University was approved for two teaching sites, Peru and Thailand by Accreditation of the Association for Biblical Higher Education (ABHE).

On November 2, 2015, Midwest University was approved to offer a Master of Business Administration program by ABHE.

On February 8, 2017, Midwest University was approved to offer a Bachelor of Science in Aviation Management program by ABHE.

Midwest University continually strives to provide our students with the best possible opportunities to be successful in their chosen careers. Annual student and alumni survey results indicate that we are progressing in accomplishing our program and institutional goals.

BIBLICAL FOUNDATIONS STATEMENT

The Bible in its entirety is the inspired Word of God, infallible, sufficient, and authoritative for faith and practice.

There is one God, eternally self-existent in three Persons: Father, Son, and Holy Spirit.

God, through the Word, created the heavens and the earth, and all that is in them for His own good purpose.

Jesus Christ, born of a virgin, is God who came in the flesh; His death provides substitutionary atonement for our sins; He rose bodily from the dead and ascended to the right hand of God the Father where He intercedes for the believers.

The Holy Spirit indwells believers to enable them to live godly lives and empowers the Church to carry out Christ's Great Commission.

The human race was created in the image of God, fell after being tempted by Satan, and because of sinfulness, is inherently in need of salvation found exclusively in Jesus Christ through faith by the power of the Holy Spirit.

The one holy Christian Church, the body of Christ, includes all who have come to faith in Jesus Christ.

Jesus Christ will return to earth in the Second Advent to judge the living and the dead, to consummate, and to fulfill His purpose in the works of creation and redemption with eternal rewards and punishment.

RESIDENCE HALL REGULATIONS

Midwest University offers on-campus housing for men and women living in the residence hall and strives to provide a safe, convenient, and affordable living space for single and married students. The two-floor residence hall for single or married students provides economical accommodations and convenient access to campus facilities. All rooms are beautifully designed and fully furnished with two queen-sized beds, a dresser, two desks, two chairs, and a spacious closet for each person in the room. Each room includes a private bathroom. Laundry rooms are furnished with washing machines and dryers. Students generally share a room, however single occupancy rooms are available. Permission to continue residency is contingent upon meeting these criteria. It is expected that each student become acquainted with, and comply with, all the rules and regulations pertaining to campus conduct and residence living. At the beginning of each semester, there will be a meeting at the residence hall. At this time, the residence hall policies and Midwest's policies will be explained. Students will be required to sign a statement that they have read, understand, and agree to uphold all residence hall regulations.

If a student moves out of the residence hall during the contract period, whether voluntarily or involuntarily, the housing deposit is forfeited and a refund will be assessed on a pro-rated basis. On-campus courses

These courses are conventional, face-to-face courses in a classroom setting on main campus and Washington D. C. site. Each course meets weekly for 16 weeks in the fall or spring semester.

E-learning courses

E-learning courses are accomplished via the Internet through CAMS. Most courses are 16 weeks in length, with some being 8 weeks.

Blended courses

Blended courses provide students an opportunity to complete courses through the combination of classroom and e-learning course work. Each course will consist of intensive seminar and the remainder of the course will be completed by e-learning.

Independent Studies

Independent Studies may be defined as study which is under the direct supervision of an appropriate faculty member but is not done in conjunction with a regularly scheduled class. Independent Study request will generally be approved only if the course is required for graduation and is not going to be offered on a regular schedule prior to graduation.

* All courses are offered in the Korean language. For classes offered in English, please contact the Registrar's office

COURSE ATTENDANCE

Midwest University believes that all students are fully responsible for attendance policies and requirements indicated in each course syllabus. Attendance, in courses for academic credit, is mandatory. Each student should recognize that many vital educational experiences at the University cannot be fully realized when class attendance is irregular. As a general rule, students are expected to attend all class sessions of every course. While each instructor is responsible for her/his own course attendance policies, students who are absent for more than three (3) hours in an intensive-course and six (6) hours in a semester course will be recommended for possible disciplinary action including a potential failing grade for the course. Tardiness of more than 10 minutes counts as one hour of absence. In the event of unavoidable absences, the student is responsible for contacting the instructor and is responsible for the completion of all missed course assignments.

The instructor may give advanced written warning to a student for excessive absences and report to the Registrar. The instructor will consult with the Academic Dean regarding students who may become subject to academic penalties for incomplete or unacceptable make-up work or for excessive or unexcused absences. Midwest University, through the Office of Academic Affairs, reserves the right to involuntarily remove enrolled students from classes when course attendance policies are not followed.

DEFINITION OF CREDIT HOUR

A credit hour is based on a class period fifty (50) minutes in length once a week for an entire semester. A semester is typically fifteen weeks in length.

A typical three-hour course would meet for three 50-minute session throughout the semester.

Some courses will be offered using online components and using other delivery systems. In such cases, the course will follow the Carnegie guidelines for course construction. The Carnegie guidelines expect two hours of work for each hour in class. Therefore, a three-hour course that has 45 hours of seat time would have an additional 90 hours outside the classroom. Using this as a basic standard, courses are constructed in the following manner: A three-hour course will require 120-130 hours of work, including class sessions, online videos, reading, written assignments, and other requirements.

ADDING/DROPPING A COURSE

Adding a Course: After consulting with, and receiving written approval from the academic advisor, students desiring to add a course(s) will deliver the Course Addition Form to the Office of the Registrar. After financial requirements have been met through the Finance Office, documentation will be sent to the Office of the Registrar which will complete the enrollment requirements. The deadline for adding a course is two weeks after the start date of the semester.

Dropping a Course: A regular semester course may be dropped before the end of the second week of the semester. Students should consult with, and receive approval from, the academic advisor to drop a course or courses. The student will deliver the Course Drop Form signed by the academic advisor to the Office of the Registrar.

Withdrawal from a Course

After the drop period, a student may withdraw from a regular semester or e-learning course without complete withdrawal from the university. . In such cases, the student should request withdrawal from the course by submitting a class withdrawal form to the Registrar. The student will receive a grade of “W” for the class.

GRADING SYSTEM

The significance of letter grades is as follows:

Grade	A	A-	B+	B
Points	96-100	90-95	86-89	82-85
Grade	B-	C+	C	C-
Points	78-81	74-77	70-73	66-69
Points	2.75	2.25	2.00	1.75
Grade	D	F		
Points	60-65	0-59		
Points	1.00	0.00		

The following symbols are also used on the transcript.

NC: No Credit

W: Withdraw

I: Incomplete

AU: Audited Course

P: Pass

The maximum credit hours that an undergraduate student can take per semester (including term) are 21 credit hours. A full-time master level student must take at least 9 credit hours per semester.
